Diplomatic List

Fall 2009

DEPARTMENT OF STATE PUBLICATION 11221
Office of the Chief of Protocol

Revised September 2009

For sale by the Superintendent of Documents
U.S. Government Printing Office
Washington, D.C. 20402

Preface

This publication contains the names of the members of the diplomatic staffs of all missions and their spouses. Members of the diplomatic staff are the members of the staff of the mission having diplomatic rank. These persons, with the exception of those identified by asterisks, enjoy full immunity under provisions of the Vienna Convention on Diplomatic Relations. Pertinent provisions of the Convention include the following:

Article 29

The person of a diplomatic agent shall be inviolable. He shall not be liable to any form of arrest or detention. The receiving State shall treat him with due respect and shall take all appropriate steps to prevent any attack on his person, freedom or dignity.

Article 31

A diplomatic agent shall enjoy immunity from the criminal jurisdiction of the receiving State. He shall also enjoy immunity from its civil and administrative jurisdiction, except in the case of:

(a) a real action relating to private immovable property situated in the territory of the receiving State, unless he holds it on behalf of the sending State for the purposes of the mission;

(b) an action relating to succession in which the diplomatic agent is involved as executor, administrator, heir or legatee as a private person and not on behalf of the sending State;

(c) an action relating to any professional or commercial activity exercised by the diplomatic agent in the receiving State outside of his official functions.

A diplomatic agent' s family members are entitled to the same immunities unless they are United States nationals. ASTERISKS (*) IDENTIFY UNITED STATES NATIONALS

NOTE: The information contained herein was compiled as of September 30, 2009. <u>The names are not in protocol order of precedence.</u>

Changes occur daily. The status of personnel listed in this publication should be verified with the Office of Protocol.
